

**ALPA CENTRUMS**  
**FREIGHT FORWARDING FIRM**

**FAST, EFFICIENT AND RELIABLE  
FREIGHT FORWARDING SERVICES  
SINCE 1993**

Established in 1993, ALPA Centrum is one of the leading international freight forwarders based in the Baltic States. For more than 20 years the company has been successfully forwarding a wide range of cargoes by rail, road, sea and air on behalf of customers in the CIS, EU and other countries. ALPA Centrum regularly organizes deliveries of more than 600 types of cargo from/ to various destinations in more than 50 countries.

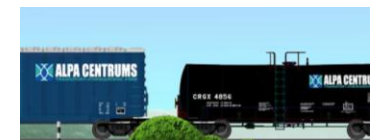

## WE PROVIDE THE FOLLOWING SERVICES:

### railway freight forwarding

- **Organize cargo deliveries of various levels of complexity by rail in Russia, the CIS and EU**
- **Organize transportation of heavy, oversize, dangerous, perishable and project cargoes**
- **Optimize routes of deliveries via Baltic states**
- Assist in applying for special **conditions with railway administrations for special cargoes**
- **Manage own and clients' freight rolling stock**
- **Provide railway tariffs payment services in the CIS and EU countries**
- **Track shipments** and provide **cargo monitoring** services in the CIS and other countries
- Provide individually tailored consultations and advice on shipment route optimisation

### multi-modal freight forwarding

- **Develop optimal delivery routes, combining transportation modes according to clients' needs**
- **Send and receive import/export and transit cargoes** (including shipments from USA, Canada, India to the CIS)
- Provide **cargo consolidation services** in the **Baltic states** (also via our **warehouse in the Freeport of Riga**).

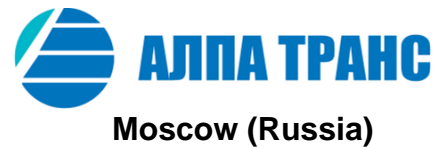

- The group has **over 20 years of successful experience** in the freight forwarding industry and a **solid reputation for expertise and reliability**.
- Delivers **competitive rates and the most current information**, thanks to direct contracts with national railways of the CIS and Baltic countries: JSC Russian Railways, JSC Kazakhstan Temir Joly, SE Belarusian Railway, JSC Lithuanian Railways and JSC Latvian Railways.
- **Accepts and makes payments in multiple currencies: KZT, RUB, CHF, EUR and USD.**
- **Takes care of the entire transportation chain**, thanks to direct **contracts with the leading shipping lines, close cooperation with partners worldwide** and **own warehouse in the Freeport of Riga**.
- Has proven **track record of successful cargo consolidation** operations in North America and Baltic States.
- Has **international network of representative offices and affiliated companies**, which enables us to manage efficiently even the most complex and unique tasks of our clients.
- **Owns a private fleet of railway wagons:** tank wagons, reefer container wagons equipped with power supply, service wagons, flat-bed timber wagons, high-sided open wagons (180m<sup>3</sup>) and covered wagons (150m<sup>3</sup>).
- Delivers **reliable, high-quality service**. ALPA Centrum is one of the leading rail freight forwarders in the Baltic States and the founding member of the Latvian National Association of Freight Forwarders (member of FIATA and IFWLA).

**Headquarters: Riga (Latvia)**  
**Branches: in Russia, Kazakhstan and Ukraine**

- For more than two decades ALPA Centrum has been providing its international clients with a wide range of freight forwarding and related services, continuously strengthening its reputation for expertise, experience and reliability.
- ALPA Ltd launched its activities in 1993, when the company started offering railway tariff payment services in the Baltic and CIS States. In 1994 ALPA became one of the founding members of the Latvian Association of Freight Forwarders and Logistics LAFF (now member of FIATA).
- ALPA Centrum Ltd is a parent company of a group, which includes companies ALPA Trans (Moscow), ALPA Service (Pskov) and ALPA Vagons (Riga). In close cooperation we successfully manage even the most complex and unique projects, effectively operate our fleet of railway wagons, make and accept payments in multiple currencies and ensure exceptional customer service.
- ALPA Centrum continues to keep pace with the times by developing and launching new routes and services reflecting the latest developments in the logistics industry and meeting the evolving needs of both local and international clients.
